

# MPS/Northern Division of GBSSA Soccer (Boys) Playing Regulations

## 1. Dates and Schedules:

- a) **Prior to the start of the regular season there will be an opening day tournament where every team will play each other in condensed games with results not counting toward final standings.** A single round robin MPS schedule and championship date will be set by the convenor prior to the September scheduling meeting.
- b) The MPS championship should be held at least 3 days prior to the GBSSA championships.
- c) The convenor should look at past league schedules and make every effort to ensure there is a balance in both travelling distances and home / away ratio of games from season to season.

## 2. Championship Location and Convenor:

Convenors shall be established at the MPS meeting in May. The location of the MPS championship will be set by the convenor prior to the beginning of season. The soccer convenor is responsible to co-ordinate with the track and field convenor for the same season for schedules.

## 3. Classifications:

Championships will be offered at the Junior and Senior levels. There are classifications of "A", "AA", "AAA", and "AAAA" at the GBSSA and OFSAA levels, but there will only be one level of play at MPS.

## 4. Tournament Structure and Procedure:

- a) The top 4 teams at the end of league play qualify for the MPS championship tournament. The MPS Championship is a one day tournament.
- b) A challenge game may be permitted by the 5<sup>th</sup> place team if they are within 2 points of the 4<sup>th</sup> place team and have defeated the 4<sup>th</sup> place team or tied them.
- c) Details for the challenge game are:  
The 4<sup>th</sup> place team will provide the field, and the 5<sup>th</sup> place team will provide travel and officials. The 4<sup>th</sup> and 5<sup>th</sup> challenge game is considered part of the regular league play.
- d) If there are two fields available, the juniors and seniors will use separate fields, reflecting the same order as for 1 field.
- e) Championship tournament:

### Junior semi-finals:

Game 1 1<sup>st</sup> vs. 4<sup>th</sup>

Game 2 2<sup>nd</sup> vs. 3<sup>rd</sup>

### Senior semi-finals:

## Soccer – Boys (con't)

### 5. Location and Game time for Semi-final and Championship Games

The location of the Championship games will be set by the convenor prior to the start of the season. If *one field* is used for the championships the game times are as follows: the junior semi-finals will start at 9:00 and 10:30 am. The senior semi-finals will start at 12:00 and 1:30 pm. The junior finals will start at 3:00. The senior final will start at 4:30. If two fields are used for the championships, the game times are as follows: the semi-finals will be played at 10:00 and 12:00. The finals will be played two hours after the completion of the semi-finals.

Should there be a tie during any playoff game, the following OFSAA regulations will be applied:

Tie Breaking Procedures:

- Two(2) ten (10) minute halves
- If still tied, teams shall take penalty kicks FIFA Shootout (5-5-1-1-1-1-1-1....)

### 6. Tie Breaking Procedures:

If 2 or more teams are tied, the tie breaking criteria is applied one after the other until the tie is broken.

- a) Head to head record between the tied teams.
- b) The team with the best ratio of won/lost games, considering games between the tied teams only, will be ranked higher.
- c) Record against the next lowest placed team.
- d) Ties that determine final play-off berths must be decided by a play-in game on the tiebreaker day, as indicated on the schedule. The location of this game will be determined by a coin toss and all costs will be split evenly.
- e) Ties that determine 1<sup>st</sup> and 2<sup>nd</sup> place will be decided by a coin toss after (a & b) are used.

If 3 or more teams are tied, the above criteria will be applied, one after the other until all the teams are ranked. Thus, if there is a tie among teams X, Y & Z and criteria “b” is able to determine that team X is first, Y is second and Z is third, then no further criteria are to be used. The tie is broken. However, if criteria “b” only determines team X as first and there is still a tie with team Y & Z, then the ranking of the remaining teams will be determined by continuing on with criteria “c” and so on. The criteria should NOT start “a” again for teams Y and Z – the criteria should continue in sequence.

### 7. Expenses:

The cost of the referees and awards for the tournament (semi-finals and finals) shall be shared equally by all teams participating in the tournament. Any additional costs that are not administrative in nature shall be the responsibility of the host school.

### 8. Eligibility of Players:
